Kalayil dhinamum song lyrics

Picture: RCA Records Label There's nothing as uplifting as an inspired power ballad when you feel down, or as energizing as a fast-paced dance tune when you work out. And when you can't get out of bed after a soul break-up, these up-and-coming I'm-over-you pieces can come to the rescue. In these ways (and more), pop music has the power to touch everyone. Songs of this kind dominate the U.S. Hot 100 Billboard chart for a reason - the radio plays them nonstop, and a record number of Americans buy, download, or stream them. From prolific folk icons like Madonna, Britney and Beyoncé to lesser-known artists who are at the top of the charts with one or two infectious melodies, these talented performers know how to get hundreds of thousands of people on their feet. They also have a knack for dropping catchy singles in which everyone ends up knowing the words, whether we like it or not. Are you one of those people who always has a pop song playing in their head? If so, we have a feeling you're going to take this quiz. It features lyrics from some of the most popular songs of recent decades. You can guess each one right? It's time to make your hair shed, check your nails and learn! We send trivia questions and personality tests every week to your inbox. By clicking Register you agree to our privacy policy and confirm that you are 13 years of age or older. Copyright © 2020 InfoSpace Holdings, LLC, a System1 Company Take a Deep Breath, and think back to a high school dance and try and remember what these were like. Like, who was pre-teen probably remembers the awkwardly slow dancing, new tank-tops from the mall, and shouting along with every word of pop-radio hits. Songs from the late 90s and early 2000s may seem like a distant memory now, but at the time, many of them were iconic. Looking back on the season, there are definitely some song lyrics that completely forgot existed until now. Every once in a while one of these songs will play, in a clothing store or on the radio or on an ironic party playlist, and those words will bring you right back to this high school auditorium. Various genres flourished in the late 90s and early 90s, and the two decades were a period of development for alt-rock, rap and hip-hop, and pop music. While some of the most popular songs don't just reinvent genres or experiment in new ways, it was definitely fun. Whether it was Anna Nalick's soft rock or one of Enrique Inglesias's slow dance bands, you may have forgotten some of these melodies. There is no time like the present to hear again and remember those lyrics that, for better or worse, shaped your teenage years. 1 Too Little, Too Late - JoJo.ong before Taylor Swift said she was never getting back together with an ex, JoJo was penning pop break-up hits. Every seventh grader certainly heard this after a high school break, which everyone knows means they are no longer sitting together in the cafeteria or group dates for the movies. Things were tough back then. Memorable Lyrics: I'm going to say this now / Your chance has come and gone / And you know / It's just too little, too late / A little too long / And I can't wait2Just the Girl - The Click FiveAtlantic Records on YouTube If you forgot, the protagonist love interest in this song runs at 100 power stop proof. It is therefore still ambitious after all these years. Memorable Lyrics: Cause this is bittersweet / She knocks me off my feet / And I can't help myself / I don't want anyone else3 Closing time - Semisonic If this miracle hit doesn't immediately ring a bell, it will come back to you as soon as the piano notes play. It's everywhere from opening the movie credits in the background of your fave 2000 TV show, and even now it's a hard song to escape. Memorable Lyrics: Closing Time / Turn the lights over every boy and every girl / Close time / One last call for alcohol in order to finish your whiskey or beer / Closing time / You don't have to go home but you can't stay here / I know who I want to take me home. 4 Big Girls Don't Cry - FergieThis song, which was one of Fergie's first tracks post-Black Eyed Peas, a slow dance base. Also, can we talk about what an absolute nostalgia-fest this video is? Product placement candies! Milo Ventimiglia's fake tattoos! What a time 2006 it was. Memorable Lyrics: And I'm going to miss you like a kid losing their blanket / But I've got to get a move with my life / It's time to be a big girl now / And the big girls don't cry5I Gotta Feeling - Black Eyed PeasBlackEyedPeasVEVO on Fergie, who could forget this super hit from Black Eyed Peas? Back in 2009 this was the number one song to get you pumped for a night out, and if you weren't sick of it by the end of the year, now's the time to bring it back. Memorable Lyrics: A feeling, woohoo, that tonight is going to be a good night / That tonight is going to be a good, good night6It's going to be going to me - NSYNCDepending for which big boy band of the 2000s was your fave, there could be a moment in your childhood where you knew every word in every NSYNC song. While Bye Bye Bye may be the team's best-known track, for true fans, this song was just as important. Memorable Lyrics: Baby, when finally / Get to love someone / Guess what / It's going to be me7Eir in my pocket - Alanis MorissetteAlanis Morissette on YouTubeIt's a shame that most Alanis songs are now relegated to background music; It's time to break them for belt purposes. It's hard to pick the singer's most sing along worthy track, but that's definitely up there. Memorable Lyrics: * clears the throat * I got one hand in my pocket, the other gives a high fee-III-VVVVEE8Resam (2am) - Anna Nalick Admit it - this song still makes you emotional in 2017. Nalick's hit ballad stuck around for a reason as it intercedes several sad stories and brings them to a heartfelt chorus. It's the perfect sad-rotten pop song. Memorable Lyrics: 'Cause you can't jump the track, we're like cars on a wire / And life is like an hourglass, glued to the table / No one can find the button rewind, girl / So cradle your head in your handsAnd breathe... just breathing/ Oh breathe, just breathe 9Hero - Enrique Inglesias EnriqueInglesiasVEVO on YouTubeThis song played at every dance and other school events I went to in high school and high school. So many clumsy slow dances were shared in this song, I don't know if I'll ever forget the lyrics, but maybe you did. Memorable Lyrics: Can I Be Your Baby Hero / Can I Kiss Off The Pain / Will Stand By You ForeverBelieve That Augustana Ever Found Where They Were Going? The chorus of this song traveled across the continental United States, and even after so long, it's hard to forget this journey. Memorable Lyrics: I think I'll go to Boston / I think I was tired / I think I need a new city / To leave all that behind11 Irreplaceable - Beyoncé While everyone bows Queen B for her last two albums, which are by all count masterpieces, you may have forgotten about this radio hit by the early aughts. Beyoncé has had so many chart top hits, this song was absolutely everywhere the year it came out. Memorable Lyrics: Everything you own in the box to the left / In the closet that's my stuff, yes / If I bought it please don't touch12Hey There Delilah - HollywoodRecordsVEVO Plain White T on YouTubeThe Plain White T had a real time with this piece, and it'll go on to be their only classic. Despite the bands miracle state, this acoustic ballad was such a success, it could be far from completely forgotten. Memorable Lyrics: Hey there Delilah / What's it like in New York? / I'm a thousand miles away / But girl, tonight will look so beautiful13American Boy - Estelle Ft. Kanye WestThis song had so many memorable collabs it's hard to believe it could have been lost over the decade. John Legend has a cameo in the video, and a very young Kanye West appears to throw a verse. This upbeat jam was so much fun, and definitely worth listening to again. Memorable Lyrics: Take me on a trip, I'd like to go someday / Take me to New York, I'd love to see LA / I really want to come kick with you / You'll be my American boyThings songs were totally classics. Classic.
